

Scott Tenner MS, MD, MPH, JD, FACP, FACG

Director, Brooklyn Gastroenterology and Endoscopy Associates

Director, The Greater New York Endoscopy Surgical Center

2211 Emmons Ave

Brooklyn, NY 11235

718-368-2960

Fax 718-368-2249

DrTenner@BrooklynGI.com

Education:

Bachelor of Science, Zoology, May 1985, The George Washington University

Master of Science, Cell Biochemistry, May 1987, The George Washington University

Master of Public Health, June 1991, The George Washington University Medical Center

Doctor of Medicine, May 1991, The George Washington University Medical Center

Doctorate of Law (J.D.), Fordham University, 2014.

Postdoctoral Training:

Resident Physician, Department of Health Care Sciences, Internal Medicine (Primary Care)

The George Washington University Medical Center, Washington, D.C., 1991-1994

Clinical Fellow, Gastroenterology Division, Department of Medicine,

Brigham and Women's Hospital, Harvard Medical School, Boston, Mass. 1994-1997

Brief Statement of Scholarly Activities:

Dr. Tenner currently serves on the Board of Trustees for the American College of Gastroenterology. Previously, as Director of Medical Education and Research at Maimonides Medical Center, Clinical Associate Professor of Medicine at the State University of New York, former Program Director for the State University of New York Health Sciences Center, Division of Gastroenterology, and former Chief of the Division of Gastroenterology, Maimonides Medical Center, Dr. Tenner has been intimately involved in medical education, teaching and research for medical students, residents and fellows. He has served on the National Affairs Committee for the American College of Gastroenterology, Research and Grant Committee, and The Educational Affairs Committee for the American College of Gastroenterology. Dr. Tenner serves on both the Health and Public Policy Committee and Practice Management Committee of the American Society for Gastrointestinal Endoscopy. He is a AAAHC surveyor of Surgical Centers and serves as the American College of Gastroenterology Member on the Board of AAAHC. With a focus on Diseases of the Pancreas, Dr. Tenner often serves as a speaker, reviewer, and moderator in subjects of Pancreatic disease at National and International Scientific Meetings.

Licensure:

State Licensure: 1996 New York, 205237

Honors and Awards:

American Society of Gastrointestinal Endoscopy/Olympus
Advanced Endoscopy Scholar, 1996

Alpha Omega Alpha, Medical Honor Society
President of Alpha Chapter, 1990-1991

National Institute of Health, Clinical Scientist Award
Listed in New England Journal of Medicine, Dec. 3, 1992

American College of Physicians Research/
Clinical Vignette Competitions
National, Case Presented in San Diego, March 1992 (Podium)
Regional, Presented in Washington, January 1993 (Podium)
Regional, Presented in Washington, January 1993 (Poster)
National, Finalist, Presented in Washington, April 1993 (Poster)

University Research and Teaching Scholarship,
Department of Biological Sciences, awarded two years: 1985-1987
The George Washington University

Sigma Xi, Scientific Research Society, 1985
William Beaumont Medical Research Society, 1988

American College of Physicians Professor Dudley Award for
Excellence in Teaching, 1994

Maimonides Medical Center "Clinical Instructor of The Year" 1998

Excellence in Service Award, American College of Gastroenterology 2006

Senior Governor Award, American College of Gastroenterology 2007

American College of Gastroenterology Distinguished Service Award 2009

Leahy Clinic Visiting Professor Award 2009

Florence Lefcourt KeyNote Address (Honor) on HealthCare Reform – 2009

American College of Gastroenterology Distinguished Service Award – 2010

Fellow, American Gastroenterology Association - 2011

Dean's List, Fordham Law School – 2013

Fellow, American Society for Gastrointestinal Endoscopy - 2013

Societies

American College of Physicians (Member 1993, Fellow 1998)
American Medical Association (Member 1990)
American College of Gastroenterology (Member 1996, Fellow 1999)
American Gastroenterology Association (Member 1994, Fellow 2008)
American Society for Gastrointestinal Endoscopy (Member 1995)
American Bar Association (2011)

Certification: 1997 Diplomate - ABIM – Gastroenterology – 158932
Recertified in 2007
1994 Diplomate – ABIM - Internal Medicine - 158932
Recertified in 2004

Committee Memberships:

President, Alpha Omega Alpha, George Washington University Medical Center, 1991
Ethics Committee, The George Washington University Medical Center, 1992-4
Associates Council, American College of Physicians, Philadelphia, 1993-1995
Training Committee, American Society of Gastrointestinal Endoscopy, 1995-1996.
Chair, American College of Physicians, Associates Council 1996-97
Vice President, Brooklyn Gastroenterology Association 1998 –2005
Residency Review Committee - Internal Medicine, Resident Representative 1995-1997
Medical Informatics Subcommittee, American College of Physicians, 1995-1996.
Governor, Brooklyn, New York, American College of Gastroenterology, 2001-2009
Member, National Affairs Committee, American College of Gastroenterology, 2003-
Councilor, New York State Society of Gastrointestinal Endoscopy 2003 – 2010
Advisory Council, Joint Commission (JCAHO) 2005-2007
Governing Board, AAAHC, 2005 – present
Member, Surveyor Education and Training Committee, AAAHC, 2006-2011
Member, Research/Grant Review Committee, American College of Gastroenterology, 06-09

Chair, National Affairs Committee, American College of Gastroenterology, 2007 – 2010

President, New York State Society of Gastrointestinal Endoscopy 2008

Member, Educational Affairs Committee, American College of Gastroenterology, 2009 -2011

ACG Abstract Review Committee, Pancreatico-Biliary (2006-2011), Chair 2011.

Chair, Self Assessment Subcommittee, Education Affairs Committee, 2009-2011

Surveyor, Association for Accreditation of Ambulatory Healthcare, 2009-

DDW – ASGE Outcomes Committee Abstract Review (2009-2013), Chair 2012-2013

Board of Trustees, American College of Gastroenterology, 2012 -

Academic Appointments:

Prior:

Program Director, Division of Gastroenterology, Downstate Medical Center, 11/03-1/05

Clinical Assistant Professor of Medicine, SUNY-Downstate Medical Center, 3/98 -5/04

Program Director, Gastroenterology Division, Maimonides Medical Center 6/02 –6/03

Director, Gastroenterology Division, Maimonides Medical Center 6/98 – 6/02

Associate Director, Division of Gastroenterology, Maimonides Medical Center 6/97-6/98

Director, Medical Education and Research, Maimonides Medical Center 1/05 –7/11

Current:

Clinical Professor of Medicine, State University of New York, Downstate Medical Center

Medical Director, Greater New York Endoscopy Surgical Center

Medical Director, Brooklyn Gastroenterology and Endoscopy Associates

Hospital Appointments:

Attending, Department of Medicine, Gastroenterology Division, Downstate Medical Center, 2004-

Attending, Department of Medicine, Gastroenterology Division, Kings County Hospital, 2004-

Attending, Department of Medicine, Gastroenterology Division, Maimonides Medical Center 1997-

Teaching Activities:

Dr. Tenner serves as an educator for all three Gastroenterology Societies: ACG, AGA, ASGE. He also teaches at the largest Board Review in Gastroenterology (Steinberg Board Review). He is intimately involved with the creation of the educational programs for the societies. Over the last decade, Dr. Tenner has given most of the updates on Acute Pancreatitis at the National and International meetings. On a local level, Dr Tenner participates in the creation and maintenance of activities relating to the education and training involved in the Fellowship program. Supervision of research, including project designs, implementation, analysis and publication. Weekly lectures include Morning Report for the Medical Residents, Teaching Rounds for Fellows, Teaching Rounds for Medical Residents and

Students, Gastroenterology Division Lecture Series, Medical Student Gastroenterology Case Conference. Monthly conferences include: Journal Club for Medical Residents, Housestaff Lecture Series in Gastroenterology.

FDA Reviews and Boards:

FDA Consultant (employee Federal Govt)
Gastroenterology Drug Review Panel

FDA Presentation on Behalf of American College of Gastroenterology
May 23, 2010 Sedasys/Propofol

Pharmaceutical Work and Grant Support:

Current:

LEADER Trial – Drug Monitoring Committee, Novo Nordisk
2010-2016 (expected)

Past Support:

National Science Foundation Training Scholar
National Institutes of Health
1995-6, Harvard Medical School

Olympus Advanced Endoscopy Award, Principle Investigator
American Society of Gastrointestinal Endoscopy
7/96-7/97 \$40,000

Endoscopic Ultrasound in the Evaluation of Pancreatic Disease
Schering Plough Pharmaceuticals, Sub-Investigator Phase 3B
7/99-6/01 \$130,000

Triple Therapy, PEG Intron A/Ribavirin/Amantadine in the Treatment of Chronic Hepatitis C.

Schering Plough Pharmaceuticals, Phase 2, Sub-Investigator
6/02 to 6/03 \$105,000

Tenovil (Interleukin-10) in the prevention of post-ERCP pancreatitis.

Astra-Zeneca Pharmaceuticals, Principle-Investigator
3/02 –3/03 \$40,000

GERD as a Cause of Non-Ulcer Dyspepsia

129. Rahmani R, Anklesaria A, Cheng Chu P, Wall I, Nakkala K, Cheung D, Iswara K, Li JJ, Mayer I, Tenner S. Aspirin prevents the development of *C. difficile* associated diarrhea in hospitalized patients. *Am J Gastro* 2010; 105: S147.
130. Nakkala K, Ivanina E, Rahamani R., Iswara K, Li JJ, Tenner S. Secondary esophageal pseudoachalasia associated with von Recklinghausen's neurofibromatosis. *Am J Gastro* 2010; 105: S160.
131. Braha J, Guttman S, Li JJ, Iswara K, Tenner S, Badalov N. A nodule of Bizarre stromal cells mimicking early carcinoma of the esophagus. *Am J Gastro* 2010; 105: S163.
132. Guttman S, Braha J, Rahamani R, Khorshidi I, Li JJ, Iswara K, Tenner S, Badalov N. Conservative management of cytomegalovirus erosive gastritis in an immunocompetent patient. *Am J Gastro* 2010; 105: S180.
133. Yang N, Wall, Rahmani R, Iswara K, Li JJ, Tenner S. Manipulation of gastrostomy tube causing fatal necrotizing Fascitis. *Am J Gastro* 2010; 105: S181.
134. Zhao X, Tin K, Braha J, Li JJ, Tenner S. Lymphoepithelial Cyst of the Pancreas. A rare benign lesion mimicking cancer of the pancreas. *Am J Gastro* 2010; 105: S202.
135. Nakkala K, Cheung D, Braha J, Rahmani R, Li JJ, Iswara K, Tenner S. Intraductal papillary mucinous neoplasm presenting with pancreas divisum and gallbladder agenesis. A new syndrome causing acute recurrent pancreatitis. *Am J Gastro* 2010; 105: S209.

136. Kantrowitz M, Wall I, Braha J, Rahmani R, Tin J, Iswara K, Li JJ, Tenner S. Clonorchiasis causing biliary obstruction 15 years after immigration to the United States. *Am J Gastro* 2010; 105: S210.
137. Vaizman K, Cheung D, Wall I, Iswara K, Li JJ, Tenner S. Carcinoid tumor presenting as recurrent small bowel obstruction. *Am J Gastro* 2010; 105: S250.
138. Rahmani R, Guttman S, Tenner S, Schiano T. Epiploic appendagitis after liver transplantation. *Am J Gastro* 2010; 105: S285.
139. Tin K, Yeung J, Zhao X, Tin J, Li JJ, Tenner S. Primary rectal melanoma masquerading as hemorrhoids with metastases to the stomach. *Am J Gastro* 2010; 105: S325.
140. Khorshidi I, Guttman S, RAhmani R, Braha J, TSirlin Y, Iswara K, Li JJ, Tenner S. Spontaneous enterocutaneous fistula: a rare presentation for recurrent transverse colonic carcinoma. *Am J Gastro* 2010; 105: S329.
141. Anklesaria A, Cheng Chu P, Rahmani R, Nakkala K, Iswara K, Li JJ, Tenner S. Ischemic colitis as an initial presentation of Factor V Leiden deficiency. *Am J Gastro* 2010; 105: S332.
142. Rahmani R, Ivanina E, Nakkala K, Braha J, Iswara K, Li JJ, Tenner S, Erber J. Treatment of perforated Crohn's ileocolitis during pregnancy with open abdominal management. *Am J Gastro* 2010; 105: S354.
143. Farooq S, Baradarian R, Badalov N, Spatz R, Ramdhaney S, Rahmani R, Khorshidi I, Tenner S. Does intravenous lidocaine decrease pain patients undergoing Propofol sedation for endoscopic procedures. *Am J Gastro* 2010; 105: S52.
144. Guilmanova A, Sikorskaya E, Marino D, Khodasevich D, Baradarian R, Tenner S. A Simple Method for Determining the Etiology and Treatment of Idiopathic Acute Pancreatitis. *Am. J. Gastroenterology* 2011; 106: S54.
145. Rahmani R, Shamah S, Meyer I, Tenner S. Lessons from clinical trials evaluating early aggressive intravenous hydration. *Pancreas*. A212. 2012.
146. Shamah S, Rahmani R, Meyer I, Tenner S. Lessons from clinical trials evaluating early aggressive intravenous hydration. *Pancreatology*. A78. 2013.

Invited Presentations

1. Characterization of Peroxisomes From AS-30D Hepatoma Cells. International Symposium of Peroxisomes in Medicine University of Heidelberg, Heidelberg, Germany, 1987.
2. Lipid Metabolism in Peroxisomes from AS-30D Hepatoma Cells. Federation of American Society of Biological Chemistry,

Philadelphia, 1987.

3. How Do The Elderly Perceive The Risks And Benefits of Anti-Hypertensive Therapy?
Society of Medical Decision Making, Rochester, 1991.
4. The Lipase to Amylase Ratio In Distinguishing Alcoholic Pancreatitis.
American Pancreatic Association, Chicago, 1991.
5. Atrial Fibrillation and Flash Pulmonary Edema in Multiple Sclerosis.
American College of Physicians, Regional Associate Competition
Washington, D.C., 1992.
6. Tuberculosis Presenting as a Pancreatic Mass.
American College of Physicians, National Associate Competition,
San Diego, 1992.
7. The Role of Peroxisomes in Hepatoma Cholesterol Metabolism.
National Institutes of Health Research Festival, Bethesda MD, 1992
American College of Physicians, National Associate Competition, Washington D.C.,
1993.
8. Crohns Disease Presenting As Pneumatosis Cystoides Intestinalis.
American College of Physicians, Regional Associate Competition, Bethesda, Md, 1993.
9. Chronic Necrotizing Aspergillosis: Report of 10 Cases.
American College of Chest Physicians, Orlando, Fla 1993.

18. Urinary Trypsinogen Activation Peptide (TAP) Predicts Severity In Acute Pancreatitis. American Gastroenterology Association, San Diego, 1995.
11. EUS Is more sensitive than CT in the diagnosis of chronic pancreatitis. American College of Gastroenterology, New York, 1995.
12. Eosinophilic cholangiopathy: successful treatment with steroids. American College of Gastroenterology, New York, 1995.
13. Acute pancreatitis associated with von Hippel-Lindau syndrome. American College of Gastroenterology, New York, 1995.
14. Pleural effusion as a predictor of severity in patients with acute pancreatitis. American Pancreas Association, Chicago, 1995.
15. Laboratory parameters have limited value in the diagnosis and etiology of acute pancreatitis. American Pancreas Association, Chicago, 1995.
16. Mortality in patients with pancreatitis. American Pancreas Association, Chicago, 1995.
17. A comparison of endoscopic ultrasonography (EUS) and thoracoscopy in determining lymph node metastases in patients with esophageal cancer. International Symposium on Endoscopic Ultrasound, Cleveland, 1995.
18. Mortality in acute pancreatitis: a 12 year experience. Digestive Disease Week, San Francisco, 1996.
19. Alcohol's effect on membrane trafficking in the exocrine pancreas: Implications in the pathogenesis of chronic pancreatitis. Digestive Disease Week, San Francisco, 1996.
20. Correlation of Endoscopic Ultrasound and Magnetic Resonance Imaging in the Diagnosis of Chronic Pancreatitis. Digestive Disease Week, San Francisco, 1996.
21. Does Pancreatic Necrosis Predict Severity in Patients with Acute Pancreatitis? Digestive Disease Week, San Francisco, 1996.
22. Crohn's Disease Presenting As Biliary Obstruction. American Gastroenterology Association, Boston 1998.
25. Cholecystectomy should follow sphincterotomy in persons with choledocholithiasis: a meta-analysis. Digestive Disease Week, San Diego, 2000

26. Altering Risk Perception Increases Compliance with Colorectal Cancer Screening Guidelines. Digestive Disease Week, San Diego, 2000.
27. A randomized trial of acupuncture for irritable bowel syndrome. American College of Gastroenterology, New York, 2000.
28. Groove pancreatitis presenting with a double duct sign and mimicking pancreatic adenocarcinoma. American College of Gastroenterology, New York, 2000.
29. The role of triple therapy (interferon, ribavirin and amantidine) in the treatment of chronic hepatitis C. American College of Gastroenterology, New York, 2000.
30. The role of ERCP in the treatment of pain in patients with chronic pancreatitis. American Pancreatic Association, Chicago, 2000.
31. Urinary trypsinogen activation peptide is more accurate than hematocrit in determining severity in patients with acute pancreatitis. A prospective study. American College of Gastroenterology, Las Vegas, 2001.
31. Physicians compliance with clinical guidelines in treating patients with end stage liver disease. American College of Gastroenterology, Las Vegas, 2001.
32. CMV colitis in immunocompetent patients a report of 2 cses and review of the literature. American College of Gastroenterology, Las Vegas, 2001.
33. High early mortality and low satisfaction with the placement of percutaneous gastrostomy tubes. American Gastroenterology Association, San Francisco, 2002
34. PEG Intron A/Ribavirin is superior to Intron A/Ribavirin with and without amantidine in the treatment of chronic hepatitis C. American Gastroenterology Association, San Francisco, 2002.
35. Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Mortality. American Gastroenterology Association, Orlando 2003.
35. Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Mortality. American Gastroenterology Association, Orlando 2003.
36. Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Mortality. American Gastroenterology Association, Orlando 2003.
37. The role of Telemorase and K-ras in the diagnosis of malignancy in pancreatic masses. American Gastroenterology Association, Orlando 2003.
38. PEG Intron A induces less Hypothyroidism Compared to Intron A in the Treatment of Chronic Hepatitis C. American Gastroenterology Association, Orlando 2003.

39. Colonic ulceration leading to massive lower gastrointestinal bleeding in a patient with Wegener's granulomatosis. American College of Gastroenterology, Baltimore, 2003.
40. Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Morbidity and Mortality. American College of Gastroenterology, Baltimore, 2003.
41. Gastric Ascariasis presenting as recurrent massive upper gastrointestinal bleeding. American College of Gastroenterology, Baltimore 2003.
42. CMV colitis as a complication of gastric bypass surgery. Baltimore, 2003.
43. A Randomized Prospective Clinical Trial Comparing Pegylated Interferon Alpha 2a/Ribavirin versus Pegylated Interferon Alpha 2b/Ribavirin in the Treatment of Chronic Hepatitis C. American College of Gastroenterology, Orlando, 2004
44. Antibiotic Prophylaxis of Pancreatic Infection in Patients with Necrotizing Pancreatitis: A Meta-analysis. American College of Gastroenterology, Orlando, 2004.
45. The Natural History of Submucosal Masses Evaluated by Endoscopic Ultrasound. American College of Gastroenterology, Orlando, 2004.
46. Extensive Colonic Ulceration Complicating Sarcoidosis In a Patient Taking NonSteroidal Anti-Inflammatory Medications. American College of Gastroenterology, Orlando, 2004
47. Long Term Safety of Laproscopic Distal Pancreatectomy in Patients With Neoplasma of the Pancreas. American College of Gastroenterology, Orlando, 2004
48. The Natural History and Management of Small Bowel Malignancies. American College of Gastroenterology, Orlando, 2004.
49. Myocardial Infarction Precipitated by Infliximab Infusion. American College of Gastroenterology, Orlando, 2004.
50. Agenesis of the Doral Pancreas as a Cause of Recurrent Abdominal Pain. American College of Gastroenterology, Orlando, 2004
51. Helicobacter pylori Infection Does Not Protect Against The Development of Esophageal Adenocarcinoma: A Case Control Study. American College of Gastroenterology, Orlando, 2004.
52. Epidemic Klebsiella Liver Abscesses In Emigrant Asians: Response to Carbapenems. American College of Gastroenterology, Orlando, 2004.
53. Massive Gastrointestinal Bleeding from Herpetic Esophagitis. American College of Gastroenterology, Orlando, 2004.

54. The Use of A Coated Esophageal Stent in the Management of Colonic Anastomotic Leak. American College of Gastroenterology, Orlando, 2004..
73. Long Term Safety of Laproscopic Distal Pancreatectomy in Patients With Neoplasma of the Pancreas. American Pancreatic Association, Chicago, 2004.
74. Efficacy of Recombinant Human Interleukin 10 in Prevention of Acute Pancreatitis after ERCP in subjects with increased Risk. Randomized Prospective Multicenter Study. American Society of Gastrointestinal Endoscopy 2005, Chicago.
75. Badalov Nison, K. Iswara, Jian Jun Li., Scott Tenner. Drug Induced Acute Pancreatitis: An Evidence Based Classification System. American Gastroenterology Association 2005; Chicago.

100. Badalov N, Tangorra M, Torok A, Li JJ, Iswara K, Tenner S. Metastatic Melanoma Presenting As Massive Upper Gastrointestinal Bleeding. American Journal of Gastroenterology 2007; 102: s397. 761 A. ACG 2007, Philadelphia.
101. Wall I, Braha J, Badalov N, Li JJ, Tenner S. Elevated Trypsinogen Activation Peptide (TAP) predicts the development of Pulmonary Insufficiency in Patients With Acute Pancreatitis. American Gastroenterology Association, San Diego, 2008.
102. Despite Aggressive Hydration, Hematocrit and Urinary Trypsinogen Activation Peptide (U-TAP) predict severity early in patients with Acute Pancreatitis Ian Wall, DO, Nison Badalov, MD, Jack Braha, MD, Konstantin Vaizman, MD, Anita Torok, MD, Peretz Lock, DO, Kadirawel Iswara, MD, FACP, Jianjun Li, MD, FACP, Scott Tenner, MD, MPH, FACP. American College of Gastroenterology Orlando 2008.
103. Superficial Angiomyxoma presenting as an Intra-luminal Recta Polyp: A Newly described type of Colonic Neoplasia Ian Wall, DO, Nison Badalov, MD, Neli Farazmand, RPAC, Muhammad Abdullah, MD, Kadirawel Iswara, MD, FACP, Jianjun Li, MD, FACP, Pratap Gadangi, MD, Scott Tenner, MD, MPH, FACP, American College of Gastroenterology Orlando 2008.
104. Hepatocellular Carcinoma in a previously non-cirrhotic patient with Celiac Disease 26 months after successful eradication of HCV. Ian Wall, DO, Nison Badalov, MD, Jack Braha, MD, Kadirawel Iswara, MD, FACP, Jianjun Li, MD, FACP, Scott Tenner, MD, MPH, FACP, Michael Bernstein, MD American College of Gastroenterology Orlando 2008.

105. Is Plummer Vinson Syndrome a form of Celiac Disease?
Hui Hing Jack Tin, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
106. Anorectal Tuberculosis mimicking Anal Carcinoma. Hui Hing Jack Tin, MD, Anita Torok, MD, Yarnel Lafortune, PA, Scott Tenner, MD, MPH, FACG Pratap Gadangi, MD. American College of Gastroenterology Orlando 2008.
107. Colitis Cystica Profunda of the Right colon mimicking Colonic Polyposis
Kumaravel Perumalsamy, MD, Alejandra Borensztein, MS, Natalia Segal, MS, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
108. Successful Endoscopic closure of a Gastro-Gastric fistula with endo-clips
Kumaravel Perumalsamy, MD, Muthukumar Muthusamy, MD, Muhammad Abdullah, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
109. Early Identification of Biliary Papillomatosis through Endoscopic Evaluation of the Common Bile Duct. Kumaravel Perumalsamy, MD, Jack Tin, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
110. Risk factors for Gastrointestinal bleeding in patients with Acute Coronary Syndrome. Ting-Hui-Hsieh, MD, Po-Cheng Chu, MD, Xin-yu Zhao, MD, Hsin-Ling Hsieh, PhD, Jai Mirchandani, MD, Kadirawel Iswara, MD, FACG, Jacob Shani, MD, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
111. Potential Savings for Federal Funds of a Colorectal Cancer Screening Program in Uninsured Patients 2008 ACG/Astra Zeneca Senior Fellow Abstract Award Recipient Nison Badalov, MD, Ian Wall, MD, Jack Braha, MD, Rabin Baradarian, MD, Jai Mirchandani, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Michael Kantrowitz, MD, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
112. Alcoholic Acute Pancreatitis or Idiopathic Pancreatitis: An Unclear Distinction
Nison Badalov, MD, Ian Wall, MD, Jack Braha, DO, Samantha Tenner, MS, Rabin Baradarian, MD, William Steinberg, MD, FACG, Scott Tenner, MD, MPH, FACG.

American College of Gastroenterology Orlando 2008.

113. Serum GGT predicts virological response to Pegylated-Interferon and Ribavirin Therapy in patients with Chronic Hepatitis C. Xin-yu Zhao, MD, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG, Michael Bernstein, MD. American College of Gastroenterology Orlando 2008.
114. Are all preparations for Colonoscopy the same? Konstantin Vaizman, MD, Ira Mayar, MD, Nison Badalov, MD, Kadirawel Iswara, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
115. Fasciola Hepatica causing Acute Pancreatitis complicated by biliary sepsis Nison Badalov, MD, Ava Anklesaria, MD, Anita Torok, MD, Ian Wall, MD, Jack Braha, DO, Scott Tenner, MD, MPH, FACG, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG. American College of Gastroenterology Orlando 2008.
116. Iatrogenic colon perforation: To Clip or Not to Clip Nison Badalov, MD, Ian Wall, MD, Jack Braha, DO, Konstantin Vaizman, MD, Scott Tenner, MD, MPH, FACG, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG. American College of Gastroenterology Orlando 2008.
117. Gastric Siderosis presenting as a bleeding gastric ulcer with profound anemia Darshan Coomaraswamy, MD, Ian Wall, DO, Michael Bernstein, MD, Nison Badalov, MD, Scott Tenner, MD, MPH, FACG, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG. American College of Gastroenterology Orlando 2008.
118. Differences in Colorectal cancer screening rates among ethnic groups Jack Braha, MD, Nison Badalov, MD, Ian Wall, MD, David Cohen, MD, MSc, Jai Mirchandani, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
119. Gastropexy wire impaction within a Gastrostomy Fistula Ava Ankelsaria, MD, Po Chu, MD, Ian Wall, MD, Nison Badalov, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.
120. Sarcoidosis presenting as Cholangiocarcinoma Jack Braha, MD, Ting-Hui-Hsieh, MD, Jai Mirchandani, MD, Kadirawel Iswara, MD,

FACG, Jianjun Li, MD, FACG, Scott Tenner, MD, MPH, FACG. American College of Gastroenterology Orlando 2008.

121. Potential Savings for Federal Funds of a Colorectal Cancer Screening Program in Uninsured Patients. Nison Badalov, MD, Ian Wall, MD, Jack Braha, MD, Rabin Baradarian, MD, Jai Mirchandani, MD, Kadirawel Iswara, MD, FACG, Jianjun Li, MD, FACG, Michael Kantrowitz, MD, Scott Tenner, MD, MPH, FACG. Digestive Disease Week; Chicago, 2009.
122. Decreased Mortality in Acute Pancreatitis Related to Early Aggressive Hydration. Ian Wall, MD, Nison Badalov, MD, Robin Baradarian MD, Jack Braha, DO, Kadirawel Iswara, MD, Jian Jun Li, MD, Scott Tenner MD, MPH, Digestive Disease Week; Chicago, 2009.
123. Why is Obesity and Independent Risk Factor for Severity in Patients with acute pancreatitis. Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, Jack Braha DO. Darshan Patel MD, Robin Baradarian MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
124. Why is Obesity and Independent Risk Factor for Severity in Patients with acute pancreatitis. Po Cheng Chu, MD Ava Anklesaria, MD, Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
125. Abdominal Aortic Aneurysm as a Cause of Acute Cholangitis Rabin Rahmani MD Ian Wall DO, Nison Badalov MD, , Ava Anklesaria MD, Na Yang MD, Jian Jun Li MD, Scott Tenner MD, Francis Steinhaver, MD. American College of Gastroenterology, San Diego, 2009..
126. The role of capsule endoscopy in the diagnosis of Meckel's Diverticulum as a Cause of Obscure Gastrointestinal Bleeding. Na Yang DO, Hui Hing Tin MD, Jai Michandani MD, Jonathan Erber MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
127. Spontaneous Jejunal Submucosal Hematoma Presenting as a Small Bowel Obstruction. Ava Anklesaria, MD, Po Cheng Chu, MD, Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009..
128. Colo-colonic Intussusception Secondary to a Giant Intraluminal Lipoma. Salman Fidahusseini MD, Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, Jack Braha DO. Darshan Patel MD, Robin Baradarian MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
129. Colo-colonic Intussusception Secondary to a Giant Intraluminal Lipoma. Salman Fidahusseini MD, Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, Jack Braha DO. Darshan Patel MD, Robin Baradarian MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
130. Colo-colonic Intussusception Secondary to a Giant Intraluminal Lipoma. Salman

Fidahussein MD, Ian Wall DO, Nison Badalov MD, Rabin Rahmani MD, Jack Braha DO. Darshan Patel MD, Robin Baradarian MD, K Iswara MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.

131. T Cell Lymphoma of the Colon Presenting as Inflammatory Bowel Disease. Derrick Cheung MD, Jack Tin MD, Jian Jun Li MD, Scott Tenner MD. American College of Gastroenterology, San Diego, 2009.
132. Increased use of proton pump inhibitors among Caucasians is associated with an increased risk of nosocomial clostridium difficile colitis. Rahmani R, Braha J, Chu CP, Yang N, Fidahussein SS, Wall I, Khorshidi, Ivanina E, Nakkala K, Iswara K, Li JJ, Tenner SM, Mayer I. Digestive Disease Week, New Orleans, 2010.
133. Candida parapsilosis fungemia is associated with underlying colorectal carcinoma. Haran M, Nakkala K, Chu PC, Rahmani R, Lodha A, Iswara K, Li JJ, Tenner SM. Digestive Disease Week, New Orleans, 2010.
134. Sustained virologic response in patients with elevated alanine aminotransferase (ALT) during the treatment of chronic hepatitis C. Rahmani R, Nobel V, Mishra N, Ratnarajah G, Wall I, Ivanina E, Iswara K, Li JJ, Tenner SM, Bernstein MD. Digestive Disease Week, New Orleans, 2010.
135. Aspirin prevents the development of C. difficile associated diarrhea in hospitalized patients. Rahmani R, Anklesaria A, Cheng Chu P, Wall I, Nakkala K, Cheung D, Iswara K, Li JJ, Mayer I, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
136. Secondary esophageal pseudoachalasia associated with von Recklinghausen's neurofibromatosis. Nakkala K, Ivanina E, Rahamani R., Iswara K, Li JJ, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
137. A nodule of Bizzare stromal cells mimicking early carcinoma of the esophagus. Braha J, Guttman S, Li JJ, Iswara K, Tenner S, Badalov N. American College of Gastroenterology, Oct 2010, San Antonio.
138. Conservative management of cytomegalovirus erosive gastritis in an immunocompetent patient. Guttmann S, Braha J, Rahamani R, Khorshidi I, Li JJ, Iswara K, Tenner S, Badalov N. American College of Gastroenterology, Oct 2010, San Antonio.
139. Manipulation of gastrostomy tube causing fatal necrotizing Fascitis. Yang N, Wall, Rahmani R, Iswara K, Li JJ, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
140. Lymphoepithelial Cyst of the Pancreas. A rare benign lesion mimicking cancer of the pancreas. Zhao X, Tin K, Braha J, Li JJ, Tenner S. Am J Gastro 2010; 105: S202.
141. Intraductal papillary mucinous neoplasm presenting with pancreas divisum and gallbladder agenesis. A new syndrome causing acute recurrent pancreatitis. Nakkala K, Cheung D, Braha J, Rahmani R, Li JJ, Iswara K, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.

142. Clonorchiasis causing biliary obstruction 15 years after immigration to the United States. Kantrowitz M, Wall I, Braha J, Rahmani R, Tin J, Iswara K, Li JJ, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
143. Carcinoid tumor presenting as recurrent small bowel obstruction. Vaizman K, Cheung D, Wall I, Iswara K, Li JJ, Tenner S American College of Gastroenterology, Oct 2010, San Antonio.
144. Epiploic appendagitis after liver transplantation. Rahmani R, Guttman S, Tenner S, Schiano T American College of Gastroenterology, Oct 2010, San Antonio.
145. Primary rectal melanoma masquerading as hemorrhoids with metastases to the stomach. Tin K, Yeung J, Zhao X, Tin J, Li JJ, Tenner S American College of Gastroenterology, Oct 2010, San Antonio.
146. Spontaneous enterocutaneous fistula: a rare presentation for recurrent transverse colonic carcinoma. Khorshidi I, Guttman S, RAhmani R, Braha J, TSirlin Y, Iswara K, Li JJ, Tenner S American College of Gastroenterology, Oct 2010, San Antonio.
147. Ischemic colitis as an initial presentation of Factor V Leiden deficiency. Anklesaria A, Cheng Chu P, Rahmani R, Nakkala K, Iswara K, Li JJ, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
148. Treatment of perforated Crohn's ileocolitis during pregnancy with open abdominal management. Rahmani R, Ivanina E, Nakkala K, Braha J, Iswara K, Li JJ, Tenner S, Erber J. American College of Gastroenterology, Oct 2010, San Antonio.
149. Does intravenous lidocaine decrease pain patients undergoing Propofol sedation for endoscopic procedures. Farooq S, Baradaran R, Badalov N, Spatz R, Ramdhaney S, Rahmani R, Khorshidi I, Tenner S. American College of Gastroenterology, Oct 2010, San Antonio.
150. Lessons from clinical trials evaluating early aggressive intravenous hydration. Rahmani R, Shamah S, Meyer I, Tenner S. American Pancreatic Association, Nov 2012, Miami.
151. Lessons from clinical trials evaluating early aggressive intravenous hydration. Rahmani R, Shamah S, Meyer I, Tenner S. European Pancreas Club, June 2013, Zurich.

Grand Rounds, National Lectures, Visiting Professorships and Course Directorships

Grand Rounds Speaking Engagements:

Acute Pancreatitis.

New York University Medical Center/Veterans Administration Hospital 1998

Mount Sinai School of Medicine, 1999, 2004

Maimonides Medical Center 1998, 2000, 2003

Brookdale Medical Center 2003

Beth Israel Medical Center, Boston 2005

Downstate Medical Center, SUNY Health Sciences Center 2004
North Shore University Hospital, 2002
Nassau Community Medical Center June, 2007
Queens Cornell Medical Center July, 2007
Cornell Medical Center, November 2007
Bassett Medical Center, Cooperstown NY, 2008
Coney Island Medical Center, 2009, 2010, 2012
Eastern Virginia School of Medicine, 2009
University of Connecticut, Nov 17, 2011

Inflammatory Bowel Disease: A Practical Approach, Queens Hospital, March 2004

Acute Upper Gastrointestinal Bleeding, Cornell Hospital Queens, September 2005

New York Society for Gastrointestinal Endoscopy Conferences
Fellows Program, Introduction to Endoscopy,
St. Lukes/Rosevelt Hospital July 2005, July 2006, July 2007, July 2008

National Programs

Acute Pancreatitis

American College of Gastroenterology, Post-Graduate Courses
Scottsdale, Best Practices Course, January 2004
New York, Regional Course, 2007
Post-Graduate Course, Las Vegas 2006
Denver, Colorado June 2007
Philadelphia, Post Graduate Course, October 2007
Los Angeles, November 2007
Palm Springs, Best Practices Course, February 2008
Orlando, 2008
Las Vegas, Post Graduate Course, 2008
San Diego, October 2009
American College of Gastroenterology 2nd Year Fellows Course, Jan 2010
San Antonio, Post Graduate Course, 2010
Pharmacology Course, National Meeting, San Diego 2013
Best Practices, Las Vegas, 2014
Philadelphia, 2014

American Pancreatic Association, Chicago Nov 2010, Necrotizing Pancreatitis

National Pancreas Foundation, NIH Consensus Research Conference, Baltimore, February 2007
National Pancreas Foundation: Lecture on Assessing Risk and Severity in Acute Pancreatitis,
Chicago, 2009

National Pancreas Foundation: Visiting Lecturer, Chicago April 2010

American Gastroenterology Association – DDW 2007, Washington DC

Meet the Professor Luncheon, Management of Necrotizing Pancreatitis
Moderator, Clinical Pancreatitis Session
Moderator, Management of Pancreatic Necrosis Seminar

American Gastroenterology Association Post Graduate Course: 2008 San Diego
Meet the Professor Luncheon: Autoimmune Pancreatitis

American Gastroenterology Association Clinical Congress 2009 Las Vegas
State of the Art Lecture: Acute Pancreatitis: Pearls in Management
Luncheon (two): Chronic Pancreatitis: What Interventions Matter

American Gastroenterology Association, DDW 2010, New Orleans
Medical Management of Necrotizing Pancreatitis Luncheons

American Gastroenterology Association DDW 2011, Chicago
Management of Acute Pancreatitis

American Gastroenterology Association, DDW 2012, San Diego
Management of Severe Acute Pancreatitis, What is the Evidence
Autoimmune Pancreatitis: A Practical Approach

American Gastroenterology Association, DDW, 2014
Moderator, Pancreatitis Session, Post-Graduate Course

International Programs – Acute Pancreatitis:

All India Gastroenterology Meeting, Calcutta, India 2007

Update on Acute Pancreatitis

Update on Chronic Pancreatitis

CCLP Meeting, Chandigarh, India, 2007

Alcohol and Acute Pancreatitis

European Gastroenterology Meeting in Paris, October 2007

Acute Pancreatitis Symposium

Pan American Gastroenterology Conference, Guayaquil Ecuador, 2010

The Role of Endoscopy in Acute Pancreatitis

Quality and Safety in Endoscopy

Pan American Gastroenterology Conference, Panama City, Panama, 2012

Acute Pancreatitis

European Pancreas Club, Zurich Switzerland, June 2013

Aggressive Intravenous Hydration – Best Abstract APA

Idiopathic Acute Pancreatitis:

Midwest Pancreas Association, Consensus Conference, Chicago, March 2006

New York Society for Gastrointestinal Endoscopy, Post-Graduate Course 2007

American College of Gastroenterology, Regional Course, March 2009

Health Care Reform Lectures, National Affairs – Public Policy Lectures

NYSGE Post-Graduate Course 2007
Update on State and National Affairs
NYSGE Post-Graduate Course 2008
Presidential Address: Healthcare Reform

ACG/ASGE – Best Practices Course, February 2008
Keynote Lecture – Palm Springs
Healthcare Reform

American Society for Gastrointestinal Endoscopy 2008
Public Policy and State Issues – Podium, San Diego

NYSGE Post-Graduate Course 2009
Presidential Address: Healthcare Reform

NYSGE Post-Graduate Course 2010
Healthcare Reform and the Future of Endoscopy

ACG/ASGE – Best Practices Course, January 2010
Keynote Lecture – Palm Springs
Healthcare Reform

New England Endoscopy Society, Waltham, Mass, Sept 16, 2010

New York Society for Gastrointestinal Endoscopy, Dec 2010

Course Directorships

New York Society for Gastrointestinal Endoscopy, Post-Graduate Course,
Co-Director, December 2005

New York Society for Gastrointestinal Endoscopy,
Practice Management Postgraduate Course 2007

American College of Gastroenterology, Regional Postgraduate Course, NY 2008

New York Society for Gastrointestinal Endoscopy, Postgraduate Course, Practice
Management Seminar, 2009.

American College of Gastroenterology, Regional Postgraduate Course, NY 2009

New York Society for Gastrointestinal Endoscopy/American College of Gastroenterology,
Practice Management Course 2009

Visiting Professorships

University of Rochester May 2008

Leahy Clinic September 2009

Current Reviews in Gastroenterology, Oakstone Tape Series, William Steinberg Director

Pancreas Meetings, American Pancreatic Association, Chicago 2008

ASGE Plenary, DDW, San Diego, 2009

International Pancreas Meetings, East Meets West, Nov 2009

ASGE Plenary, DDW, San Diego, 2010
ACG Plenary, San Antonio, Dec 2010
American Pancreas Association, Dec 2010
